MISCELLANEOUS DEPARTMENT

OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE.

Notification dated 28—30th August 1945.

No. A2. 5276—44. The list showing the names of merchants selected, with quantity of pulses permitted to be imported by each under the Basic plan for pulses, is published for the information of those concerned.

2 There is no objection to the importers bringing the whole of their allotments as Dhal.

3. As some imports of these pulses have already taken place the quotas now allotted should be treated as the maximum procurable by each merchant. For the same reason there is no guarantee however that he should get all the quantity indicated against his name.

4. If any of these merchants have already imported any quantity, that quantity will be treated as a set-off against the quota now allotted to them.

5. The list of export permit-holders of Hyderabad is available in the Office of the undersigned for inspection to the selected merchants between 4 and 5 P.M. on working days.

6. Regarding the procedure for procurement of Urd and Urd dhal from Central Provinces, the attention of the importers is invited to this Office Notification No. A2. 503—45-46, dated 10th August 1945.

K. SRINIVASAN, *Addl. Director.*

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 24—26th August 1945.

MYSORE MANURE DEALERS' LICENSING ORDER, 1944.

No. 9. The licensed dealers and consumers of groundnut oilcake have represented that the rates charged by the oil-millers and other dealers as charges for powdering groundnut oilcake are not uniform, have been increased recently and in many cases are found to be much more than the rates that can be reasonably charged. The subject was considered by the Advisory Committee constituted under the Manure Dealers' Licensing Order and the costs of powdering groundnut oilcake and other relevent matters relating to the process were reviewed in detail and the Committee has resolved that the powdering charges be allowed specifically at not exceeding a rate of Rs. 6 per ton of groundnut oilcake powder, and that this ceiling rate is found to be quite fair and reasonable having regard to all factors, such as increase in cost of labour charges, etc., involved.

In exercise therefore of the powers conferred upon me under condition 9 of the conditions of licence issued by me under clause 6 of the Mysore Manure Dealers' Licensing Order, 1944, I, hereby direct that with effect from the date of this Notification a rate exceeding Rs. 6 per ton of groundnut oilcake powder shall not be charged by any licensed dealer or oil-miller as powdering charges and the actual powdering charges claimed from purchasers within the abovementioned ceiling rate, should be separately specified in every bill issued by the abovesaid dealers for sale of groundnut oil cake. Where any infringements of these terms are noticed, severe notice is liable to be taken in accordance with the licence conditions.
